

Dear students,

Justus Liebig University Giessen would like to inform about the nomination and application procedure for exchange students who wish to spend the summer semester 2020 at Justus Liebig University Giessen.

We recommend a German language level of B1. Some faculties require higher language skills – we will inform your students about it, if applicable. To attend courses at our **department of German studies** it is required to have a **German language level of B2** (e. g. Zertifikat Deutsch – Goethe-Institut oder TELC, DAAD Sprachtest etc.) corresponding on the Common European Framework of Reference for Languages. Please pay attention to **our German Language course offer**: The International Spring Course in March as well as language classes during the semester, which are offered twice a week. For all successfully completed language courses your students will receive credits. Further information: <http://www.uni-giessen.de/international-pages/language-courses/in>.
